The Sands Of Time

The sun is setting on another year as the last grains of sand slip through the hour glass. The Class of '83 will soon be donning their white robes and tasseled hats and everyone else will be known as the rising !! class.

For the Seniors, there are only a few grains of sand left in our hour glass. Graduation is a reality, not just a dream. We have worked and struggled toward this moment for twelve years. Now, even our high school years are memories.

For the Juniors, you too, have more sand in the bottom of your hour glass than in the top. However, you have your greatest year ahead of you. You will be at the top — The Senior Class of 1984! Next year, everyone will turn to you for leadership and guidance. You must strive to be the best class that ever graduated from A.L. Brown High School.

The Sophomores' hour glass is only half empty. You have two more great years in high school to enjoy. Each year gets better, so make the most of them.

The Freshman Class may be thinking graduation will never come, but do not panic. Even though your hour glass is still nearly full, "the Sands of Time" will pass quickly. Do not wish it; these may be the best years of your life.

The **Albrokan** Staff this year has worked hard to put together a book of you because it is for you that this book is published. Not only do we want you to be proud of it now, but later when you pull it off the dusty shelf to sit back and reflect over your life and especially your high school years. This is what **Albrokans** are for and why we put so much time into it.

A.L. Brown offers many opportunities and I am glad to have had a chance to experience them. I would like to thank the teachers and faculty for dedicating their lives to helping students like me to learn and grow.

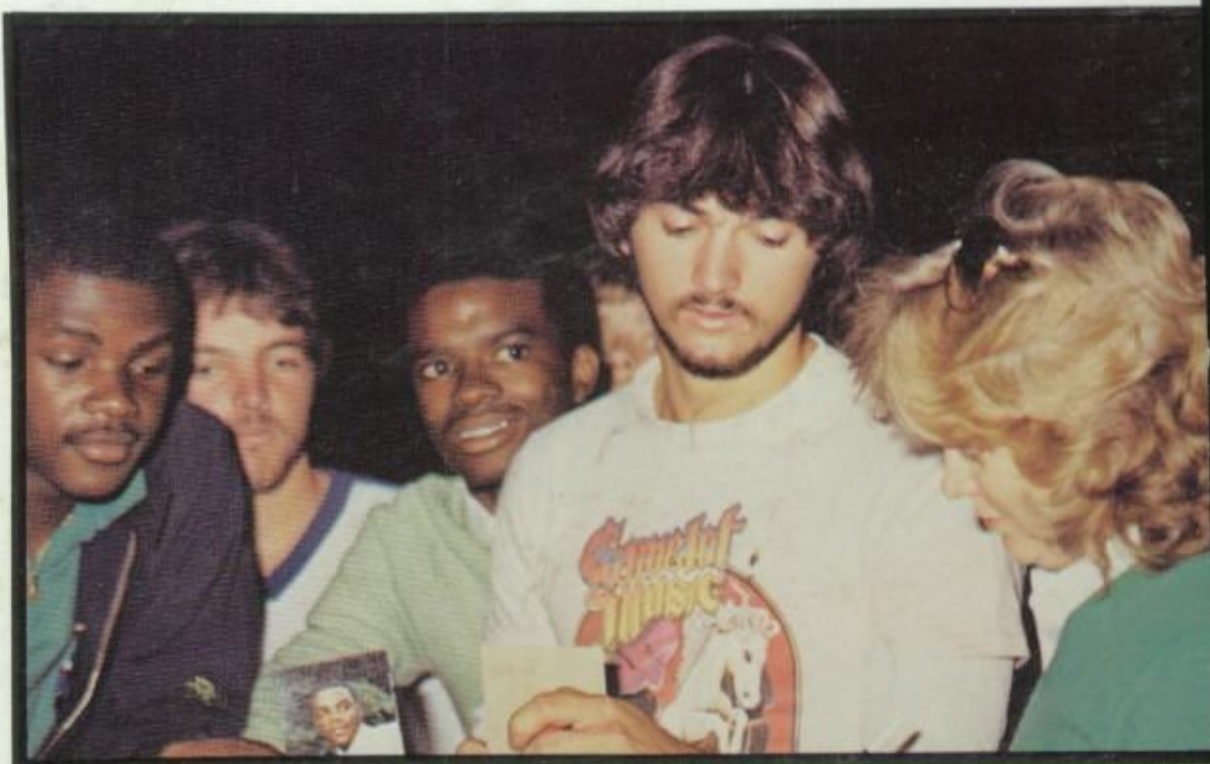

A special "thank you" goes to Mrs. Solomon. It was her guidance, patience and love that put this book together. And we the staff, would like for her to know that we are grateful for this.

So now here is your **Albrokan**. Let "the Sands of Time" take you back.

1983

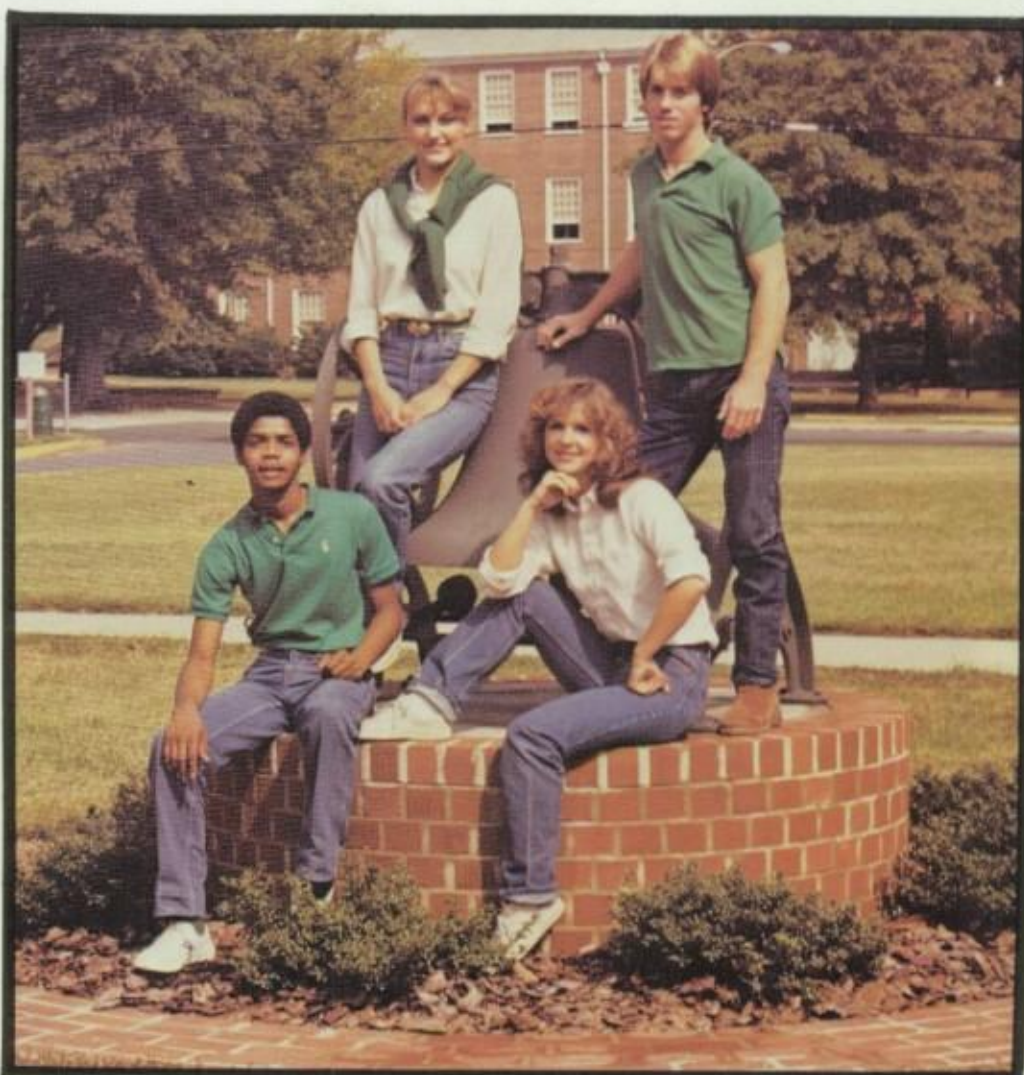

To the Class of 1983:

I feel very honored to have been chosen President of this Senior class. Since entering Brown together in 1980 as young, inexperienced sophomores, we have seen many changes and witnessed our school population increase with the addition of the Freshmen class. We accepted the change and have tried to make our school more complete with a more united student body. We, as Seniors, will leave a part of ourselves here, carrying with us memories that will linger forever.

To the other Senior class officers, James Phifer, Elizabeth Kluttz, and Gail Hancock I wish to thank them for listening, relating, and understanding me. I thank the Class of 1983 for giving me the best year of my life.

Go for it all '83, for we will be free come June.

God Bless,
Bob Aderhold

Make use of time, let not
 advantage slip;
 Beauty within itself should not
 be wasted:
 Fair flowers that are not
 gathered in their prime,
 Rot and consume themselves
 in little time.

Friends are an aid to the
 young, to guard them from
 error;
 to the elderly, to attend their
 wants; and to supplement
 their failing power of action;
 to those in the prime of life, to
 assist them to noble deeds.

BACK TO SCHOOL!!!

Dear Diary,

Wow! This year at Brown sure has started super! We've started off 1,448 students strong! It was funny picking up our schedules and watching the freshmen — they were scared to death! Everyone sure has been busy going to all of those practices — Band, Football, Cheerleading!

Memories of last years beach trip have started fading away and premonitions of this years trip has already started! We're all glad to get back to school and see our friends but I think we could do without all of that homework.

The way the 1982-1983 school year has started — I'm sure the rest of it is going to be very exciting.

SO SOON???

Those legs make coming to band practice all worthwhile!

Surprised, Renae?

LABOR DAY

Dear Diary,

These first few weeks were very special here at Brown. At the beginning of the month, the student council sponsored a back to school dance. The dance has given the students a chance to get to know each other better, but most of all it gave the entire student body a special kind of unity and togetherness.

September also brought us many victories in football — Oh! — and lots of pep rallies too!

WEEKEND!!!

Deanna Cook and Randy Raffaldt throw down at the dance.

Look at that crowd jam!

Cheerleaders show another one of their super stunts!

Let's get peppy students!

On the morning of September thirty-first, the student body of A.L. Brown was asked to vote on one of eight Senior girls to represent their school for the remainder of the year. The ballots were counted and Elizabeth Kluttz emerged as the new Miss Brown High for the school year 1982-83. Miss Kluttz rode in the Kannapolis Christmas Parade, where she competed against other area schools, and was crowned Miss Merry Christmas. She also represented Brown in the Charlotte Carousel Parade on Thanksgiving Day.

During the school year, Elizabeth served as treasurer of the Senior class, sponsor in the marching band, and a varsity basketball cheerleader. She is also an active member of the advisory council, Juniores, Omega Delta Phi Sorority, History Club, and symphonic band.

Dear Diary,

Boy! This month was so busy I thought it would never end! Our football team is still on a winning streak, and they're working towards the playoffs harder than ever! At Halloween our school was scared stiff by the Haunted House sponsored by the Anchor and Key Clubs. The man with no head really grossed me out until I found out it was Eric Hancock! And Crystal Hatley, way to go, Ozzie's the one!

Probably the highlight of the month was the homecoming activities on October 29. That day, alumni returned to greet old friends at the pep rally and tea given in their honor. The theme this year was "Gone With The Wind," and boy did those props look good! As I understand it, the vocational department, Wayne Beam, and some other people on the homecoming committee really worked hard on those. The chairman for homecoming was Gail Hancock, and the Co-chairman was Renae Hartsell. I'm sure they worked hard! Oh, and you should have seen the little skit some of the seniors put on at halftime. It was so cute! The setting was a garden party at Tara plantation. The people attending the party were Joyce Metcalf, Carla Mottley, Sarah Brown, Mary Margaret Weatherby, Mike Hubbard, Chad Steen, & Mark Stancil. Boy, they sure did look fine! And I couldn't believe how cute Wendy Johnson looked while she ran around giving them tea. But my favorite character was Lamar Lloyd who played Rhett Butler. He escorted Gail Hancock, the new queen, to her chair. He looked so great I could have just died! Danny Gray and James Phiher escorted the honor attendants, Sandra Head and Nickie Springs, and Bobby Aderhold crowned the queen. He then escorted Gail to a horse and buggy which drove her and the two attendants around the track. (It was so cute!) Mark Linn did a fine job with the script. I never knew he had such a great speaking voice!

There was an assembly held on October 27, 1982 to introduce the candidates for the A.L. Brown homecoming queen 1982. The queen was to be chosen by the student body from nineteen girls who were asked by senior football players to sponsor them. The winner was announced and crowned at halftime of the Kannapolis — South Rowan football game on October 29, 1982. The new queen was Gail Hancock and her attendants were Sandra Head and Nickie Springs. In homecoming, Gail Hancock sponsored Roger Morrison, and was escorted at the halftime activities by Kelly Morrison. There was a dance following the game at the Y.M.C.A.

At school, Gail lists her activities as: secretary of the Senior class, chief varsity basketball cheerleader, sponsor in the marching band, symphonci band, treasurer of Juniores, treasurer of National Honor Society, member of history club, AFS club, advisory council, Albroman Staff, and Omega Delta Pi sorority.

THANKSGIVING

Dear Diary,
This month sure has been exciting! November 5, 1982 our football team **dogged!!** the Concord Spiders! That day during the pep rally a skit was presented. Deborah Murdock was the judge who presided over the trail of the spider. All of the service clubs participated in the jury and other courtroom duties. Yes, the bell came home for you Class of 1983.

The 22nd of this month representatives from various colleges in North Carolina, South Carolina, and Virginia, came to hand out information on their college. It was a fun day for all of us!

We had a two day break over the Thanksgiving holidays! Everyone came back to school ten pounds heavier than when they left.

CHRISTMAS

Dear Diary,

December has been so busy this year with all of our super student council activities, it's been hard to find time to shop. We've had Candy Cane sales, door contests, Christmas mailboxes, and club ornaments and table contests and our last day before vacation we had a super assembly with the band and chorus performing a few tunes. Our special guest that day was . . . Santa!

Everyone had a great two-week vacation from school! It wasn't very cold for Christmas this year. (On Christmas day a few people wore shorts) ha! ha! This has really been a super Christmas — Christmas "82". It's almost "83".

VACATION!!!

January

Dear Diary,

Well, 1983 is here. The year of the super class has only just begun! The year really started off great (except for exams — they sure were hard!). You could really tell when exam time came because the library was full of people doing last minute studying. The two teacher workdays helped everyone recover after exams, and it even snowed on that Friday.

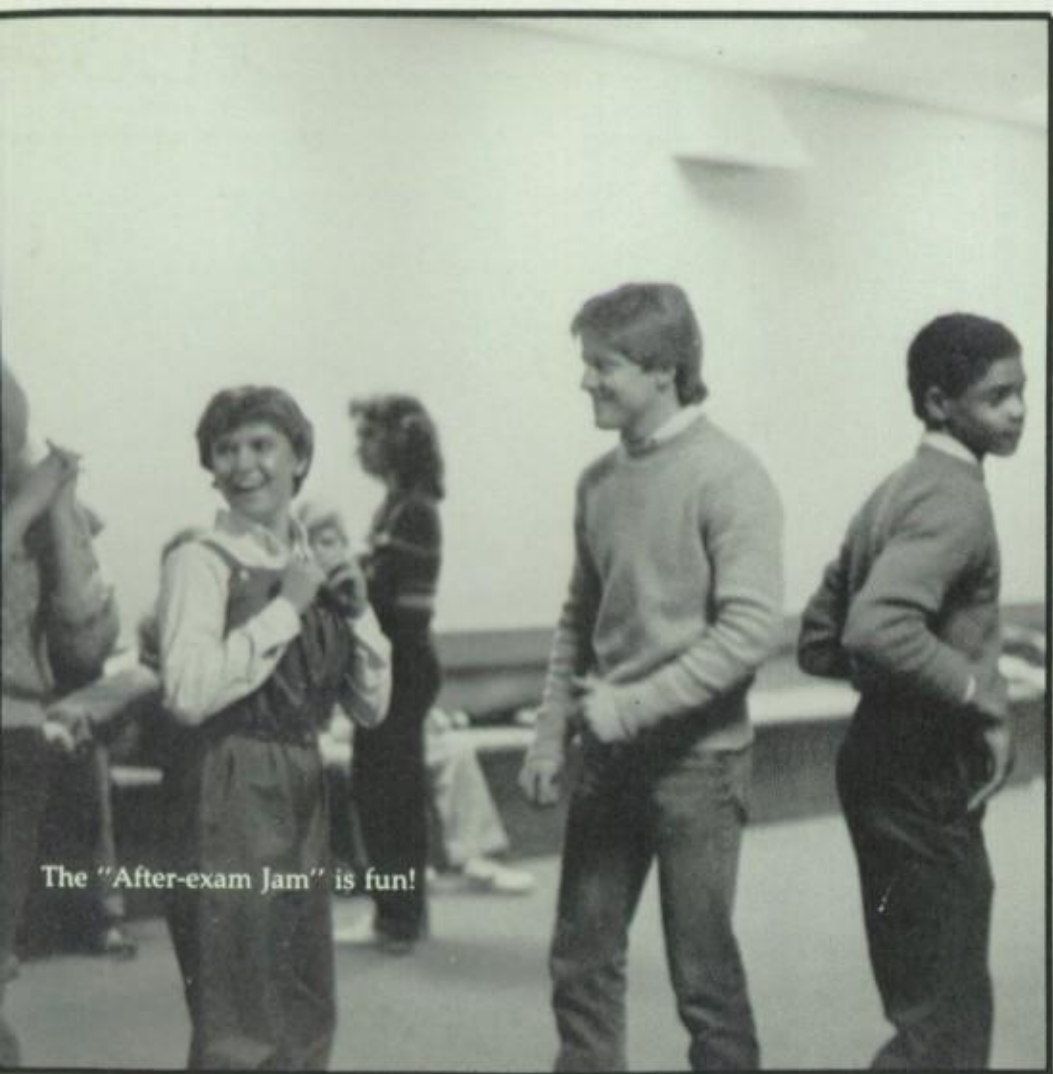

To celebrate coming back to school, the student council sponsored an "After-exam Jam" on January 24th. It sure was crowded, but everyone had a great time. A.L. Brown students sure can jam!

Thanks to the efforts of Mr. Rivers and Dr. Macon, our school purchased twelve new computers. Then they made a computer lab in the A-V room of the library. Many students have been going in there during lunch and after school. Computers really are fun to work with.

Oh, by the way, our basketball and wrestling teams have been doing great! I think they have a great shot at the conference championships.

Debi Best explains how computers work.

The "After-exam Jam" is fun!

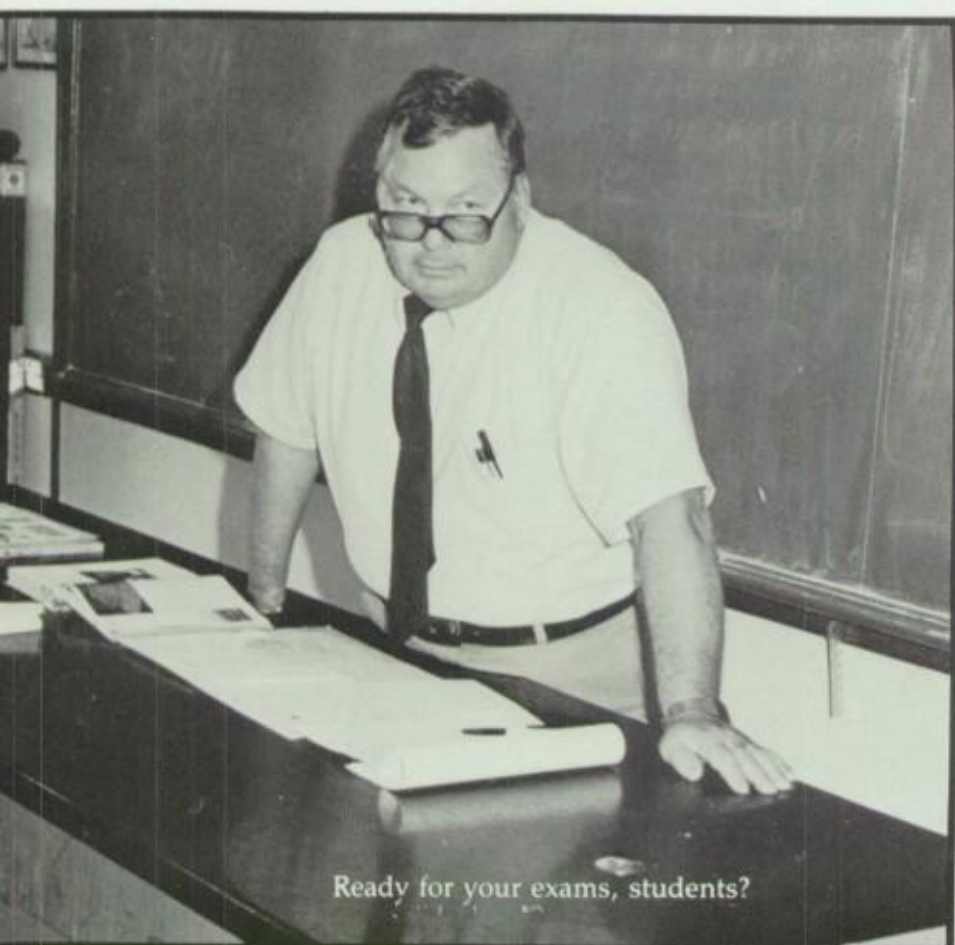

Everybody jam!

The library is a great place to be.

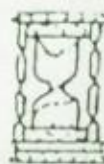

Ready for your exams, students?

HEART

Dear Diary,

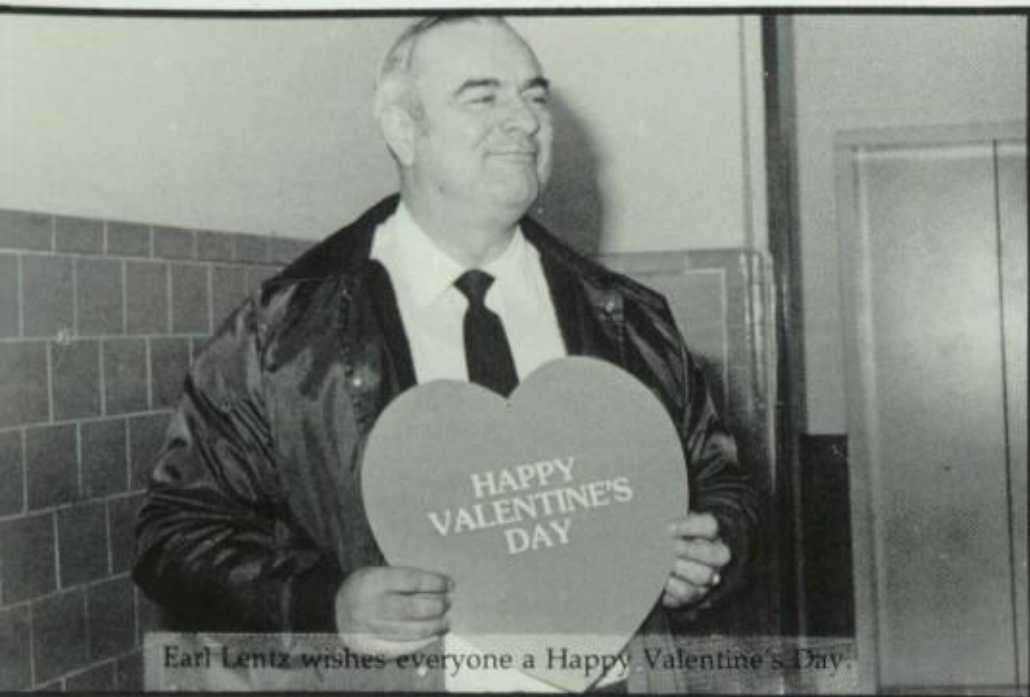

February, what a sentimental month! Our Student Council worked really hard this month with their E.T. Campaign. E.T. means everyone's touchable. We had a kickoff assembly on February 1 to tell us what this campaign was about. There was an exchange day with Concord Student Council on February 3. They were really nice, even if they were from Concord!

There were all kinds of special things happening, like clean-up day, Alumni Day, officers luncheon and collecting money for the Heart Fund. Valentine's Day was really special this year, because not only was there the Valentine mailbox, the student council was also in charge of selling carnations. Probably the biggest projects this month were the talent show and the Valentines pageant. The talent show was held on February 22, and it was open to all interested students; they had to try out. The Valentine's Pageant was held in the Auditorium on February 13. It was great, but the judges sure had a hard choice to make!!

VALENTINE QUEEN

This year's Valentine Pageant was held on Sunday, February 13, in Brown's auditorium. Deanna Cook, Sandra Head, Charlese Klutz, Susan Nunn, and Nikki Springs all competed for queen while underclassmen competed for attendants. Juniors were Kendra Argo, Carletta Knox, and Missy Holshouser. Sophomores were Pam Kirkland, Melanie Privette, and Pat Tilley. Freshmen were Ginny Klutz, Donna Johnson, and Dawna Morris. Each contestant was judged on evening gown, and talent competition. Before the pageant, the senior girls had interviews with the judges. Finally, after waiting impatiently the votes were tallied and the new 1983-84 Valentine Queen was Miss Sandra Head. Attending her on her court were Missy Holshouser, Melanie Privette, and Ginny Klutz.

You can just see those waves rolling behind their eyes!!

April

Dear Diary,

In April the school burned down to the ground! April Fools! Ha! Ha! This month started off with a bang with all of those April Fool's jokes. I wonder who let all of those crickets out in the hall? We held our annual Bloodmobile this month in the gym. We had a great turnout this year! The juniors took their trip to Washington from April 13 to 16. They said they enjoyed the dance in the hotel the most.

We had a week of vacation for Spring Break from April 4 through the 8th. Everyone got a good start on their tan. There were also alot of activities having to do with Easter. There were alot of Easter egg hunts, and the Easter Bunny was good to everyone!

The TMR class at A.L. Brown places special emphasis on survival skills and prevocational skills. Some of the students participate in a program called the Cabarrus Workshop that teaches vocational training. The local Y.M.C.A. offers students the opportunity to participate in swimming monthly. The Fellowship of Christian Athletes assist in this program. In addition, the TMR class was exposed to a physical education program initiated by Coach Vicki Wilhelm last year. Two days each week the students enjoy activities such as performing trampoline stunts, practicing on the balance beam, tumbling, playing volleyball, bowling, and dancing.

When one thinks of the A.L. Brown band, the "Big Green Machine" usually comes to mind, although there is more to being a band student than performing at football games.

During November and December the 9th grade band, the Symphonic Band, and both Concert Bands diligently prepare for the annual Christmas concert. At this concert, the Seniors are given recognition for their dedication and hard work over the past three years by receiving their letters.

After Christmas vacation the grueling process of mastering new music is begun again, in preparation for the spring concert. The students in Symphonic Band put forth an extra effort to get ready to enter competition with other high school bands.

The Choral Music Department at A.L. Brown offered students in grades 9-12 vocal instruction in four separate choral groups. These were Mass Choir, Men's Chorale, Women's Ensemble, and A Capella.

This year emphasis was placed on exposing the students to several different kinds of music, such as madrigal, pop, religious, and contemporary. The Chorus spent much of first semester preparing for their annual Christmas concert. The A Capella also practiced for several extra performances at such functions as Rotary Club and Christmas caroling at Five Oaks Nursing Center. After Christmas the choral groups began to get ready for the many upcoming contests and the spring concert.

We really enjoyed working with the **Albrokean** even though things became panicky around deadline time. However, with everyone working together and with many late afternoon and evening hours the sections came together and this book was created.

The "Big Green Machine"

This year the band proudly represented Kannapolis at many football games and in various parades. It was a very successful and exciting year for the "Big Green Machine".

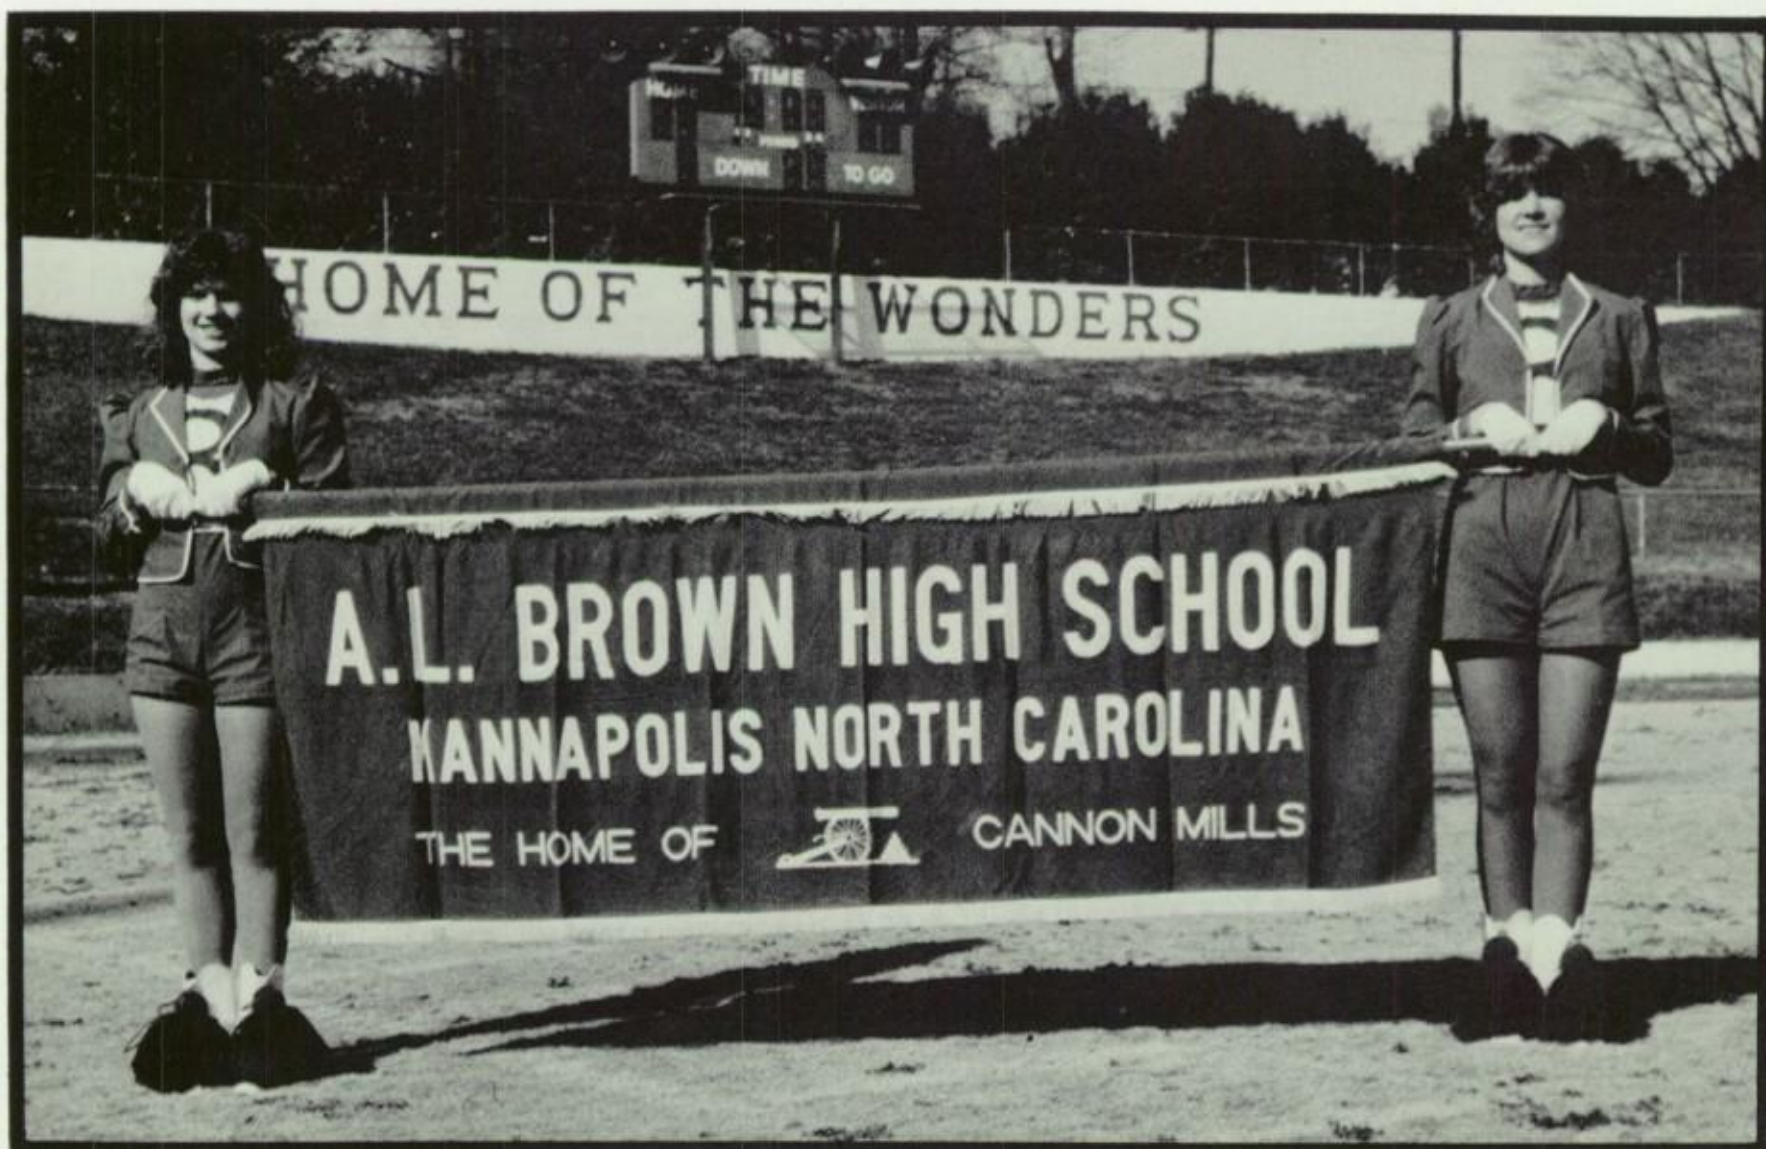

The 1982 edition of the "Big Green Machine" under the direction of Charles "Mickey" Driver, had a fantastic year! The co-drum majors, Vic Wallace, and Mary Weatherby, led the two hundred and forty-one members in a spectacular halftime show! The show consisted of "Georgie"; a percussion solo, "Dueling Banjos"; "Take the A Train", which featured the band front; and a closing number, "Still".

Competition included the North Carolina Central Band Festival which was highlighted by a second place finish by the flags and rifles in band front competition, and the band winning the John L. Harris award. The band also went on a weekend trip to East Carolina University. They won first place in the parade competition, third place overall, and a number one superior rating in field competition.

Everette Wallace, Mary Weatherby

The co-drum major led the band and kept everyone in line. The banner girls proudly showed everyone that they were from A.L. Brown High School.

Julie Rape, Georgann Wiseman

Elizabeth Kluttz, Susan Nunn — Chief, Malia Upright, Gail Hancock, Anita Bigham

The sponsors proudly represented A.L. Brown this year with their dancing routines. The rifles had a very successful year and winning second place in competition and showing precise execution.

Charlie Powell, Renae Hartsell — Captain, Marcia Harrison, Missy Holshouser, Julie Goode, Beth James

Senior Flags: Karen Lippard — Captain, Cindy Sohmers, Melinda Stanback, Lisa Hampton, Sarah Brown, Charlotte Farmer, Michelle Gibson, Kim Greeson, Diana Martin.

The flags worked together throughout the year in preparing the routines for their halftime show. They won second place at competition in the fall at the NCC band festival.

Junior Flags: Ginna Hermosisima, Oshellin Miles, Julie Teague, Jane Hendrix, Beth Deal, Lisa Beaver, Lanette Gaither, Page Petrea, Beverly Threath, Carletta Knox, Natalie Curry.

Leslie Moss, Beige Woodard, Kendra Argo, Jan Moser, Michelle White — Chief, Jill Falls.

The majorettes performed a great show this year, using small flags and hats in their routines. The sabres worked hard this year and put together an exciting show.

Donna Simmons, Lora Duplisea.

Wonder Football 1982

This year's edition of A.L. Brown football was based on one motive — REVENGE — On August 20, the Wonders traveled to scrimmage Enka and returned with big ambitions for the season.

The first game placed the Wonders against defending 4-A state champions South Mecklenburg, who handed the Wonders one of the most humiliating moments the year before, losing 55-21.

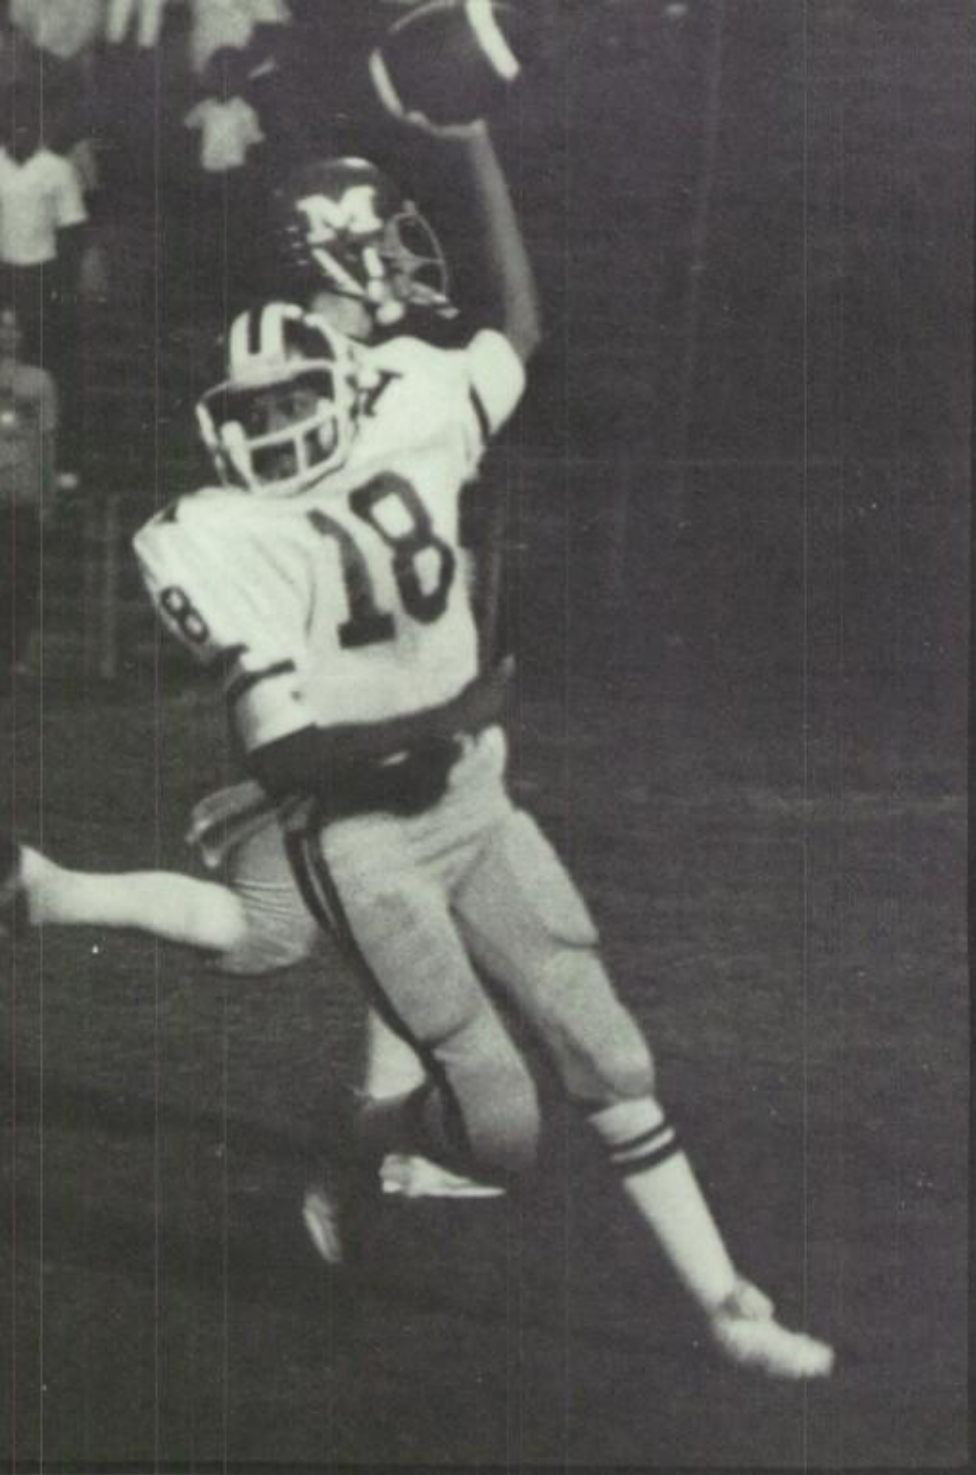

Down ... Set ...

Wonder Football

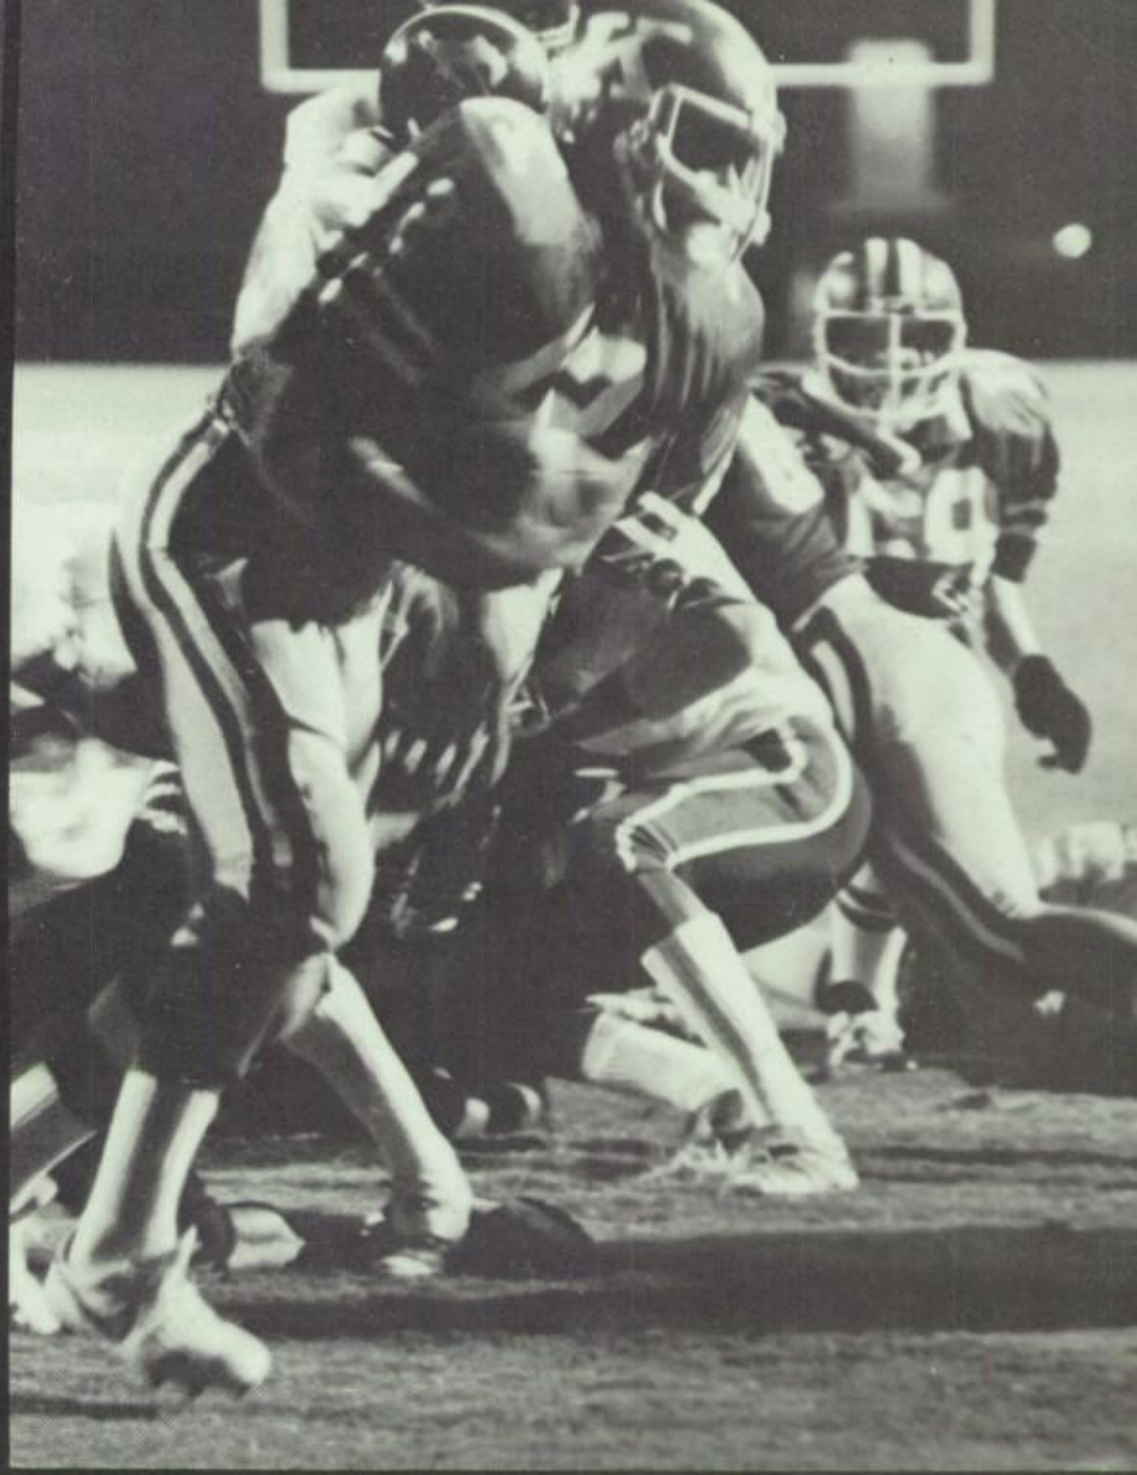

After a hard fought half the teams went into the locker rooms tied 0-0. With both teams showing a strong defense the score stayed locked until Ken Hill came up with the game winning interception. With only nine seconds left, the offense led by Mark Smith scored the game's only touchdown. Handing the Wonders their first win of the new season.

The second game of the year brought the Mustangs of East Rowan to Kannapolis Memorial Stadium. The Wonders proved to be rude hosts as Mark Miller took the opening kick-off 90 yards to put the first score on the board. Before the night was over, nine touchdowns had been scored while the defense completely shut down the opposition to give a final score of 58-0.

Touchdown!!!

Kerry Wilson scores over East Rowan!

The Wonders next traveled to Monroe High School to face the Rebels. Due to another great defensive showing of the "crash crew", the Rebels became the third victim of "Shutout City" with the final score of 37-0. This victory gave the Wonders a 2-0 record and set up another conference showdown with the Spartans of Sun Valley. The home crowd saw the first score of the season against an immovable, dominating defense. The pattering offense scored twice to prevail with a final score of 14-6.

The Wonders ventured to Northwest Cabarrus to try to improve on their previous game. The Trojans were demolished in every part of the contest with a final score of 41-0. Another shutout!

The next contest was against Central Cabarrus, who oversized many teams in the SPC. The Wonders proved size does not mean everything, showing what quickness can do. It turned out to be an offensive night, with four minutes to go and a score of 25-0, Mark Smith was intercepted on the Wonder 28 yard line. The fighting defense held until a controversial "last Second play" allowed the Vikings to score, marking the second for the opposition. With another victory, the Wonders headed to Lexington to face a very inspired group of Yellow Jackets.

With a combination of Wonder mistakes and aggressive Yellow Jackets, Lexington took the lead and was never headed by the Wonders. This handed the Wonders their initial loss of the season with a final score of 21-7. This loss put the Wonders through a mental test, their intensity had to be reestablished from the defeat at the hands of the Yellow Jackets. The Wonders had to bounce back and get ready for the conference clash against Wadesboro Bowman. Bounce back was right! The Wonders exploded for 14 points in the last three quarters while still displaying a stubborn defense finishing with an impressive 40-0 victory.

The stage was set at Kannapolis Memorial Stadium as two 6-0 teams in the conference prepared to square off. After battling for the first half to a 0-0 tie, the Wonders took the second half kick-off deep into Raider territory but was stalled by a stubborn Raider defense. After going back and forth, the big play came when Gerald Reid broke the line to block a punt only to be picked up by Avery Brown who dived across the end zone to score making it 7-0. But South refused to give up coming back with a score of their own making it 7-6. Then Terry Williams exploded on a dive up the middle to

romp 81 yards on to another touchdown. Moments later Mark Smith connected with Mack Maxwell for the last touchdown of the night giving the Wonders another "Revenge" win, 19-6 but the celebrating did not last long. The Wonders realized that another big clash was ahead in the final game of the regular season against Concord.

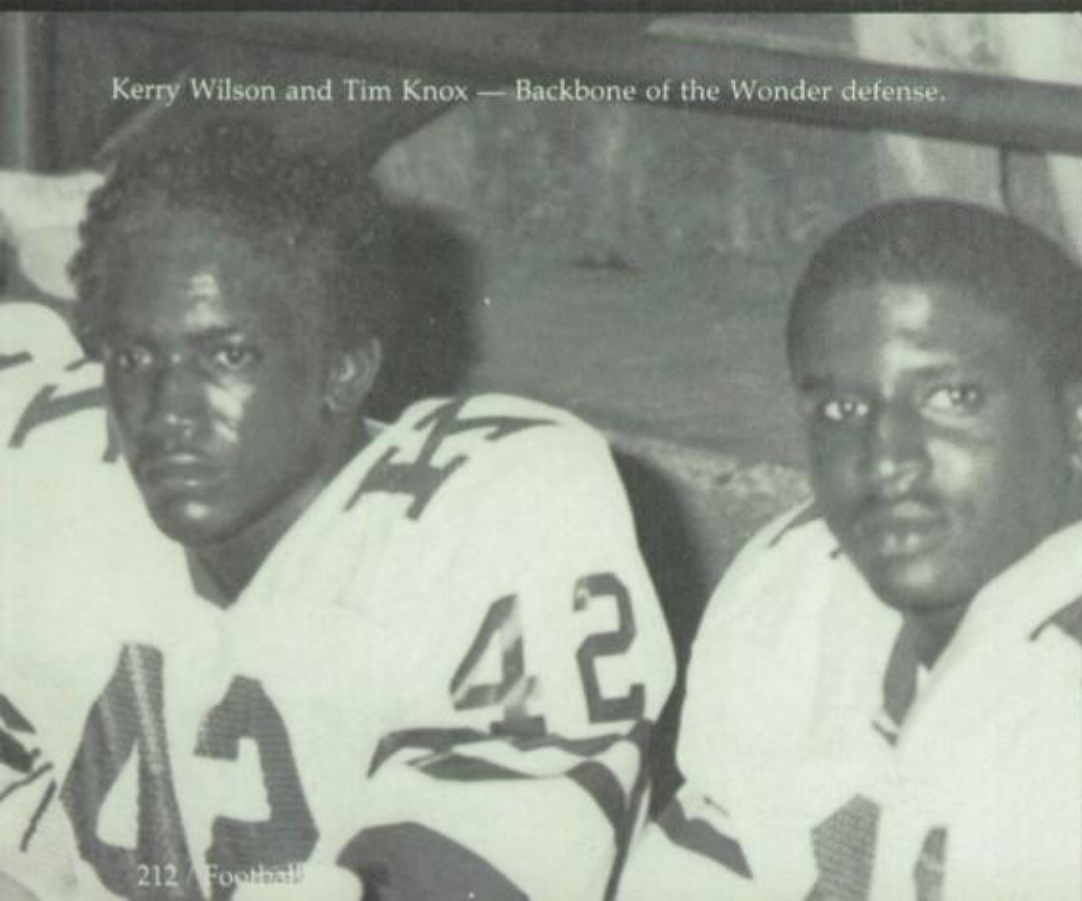

Playing in front of an overflow crowd, the Wonders elected to receive the opening kick-off, which was fumbled in Wonder territory. Countless times the defense was called upon to stop the Spider offense inside their own twenty yard line yielding a mere 3 points. After receiving the kick-off after a Spider field goal, the Wonders marched down the field capped by a 3 yard run by Mark Miller going to the half with a 7-3 lead. Halfway through the third quarter a score by Concord made it a 10-7 ballgame. The Wonders had to reach down inside to be able to come back with the conference title and the BELL! at stake. In the fourth quarter the spark came on a 51 yard dash by Mark Miller that was topped off by a 13 yard run by Mark Smith. This game gave the Wonders not only the conference Championship but also the victory bell.

Wonder Football

This year's '82 Jayvee football team had a very impressive season losing only their first game to South Mecklenburg, but finished the year by rolling over conference foes to a South Piedmont Conference Title. With the running of Fullback Willie Graham, the young Wonders gained respect from their opponents. These young men should prove to be fine additions to Varsity football squads in future years.

Even though the Lady Wonder Tennis team experienced an on again off again season, they represented Brown with the true Wonder Spirit. The team finished out this year's season with victories over East Rowan (6-3), Central Cabarrus (5-4), and South Rowan (8-1). Also, first-seeded on the Wonder team, Amy Privette, advanced to the North Carolina State Sectionals, completing two rounds.

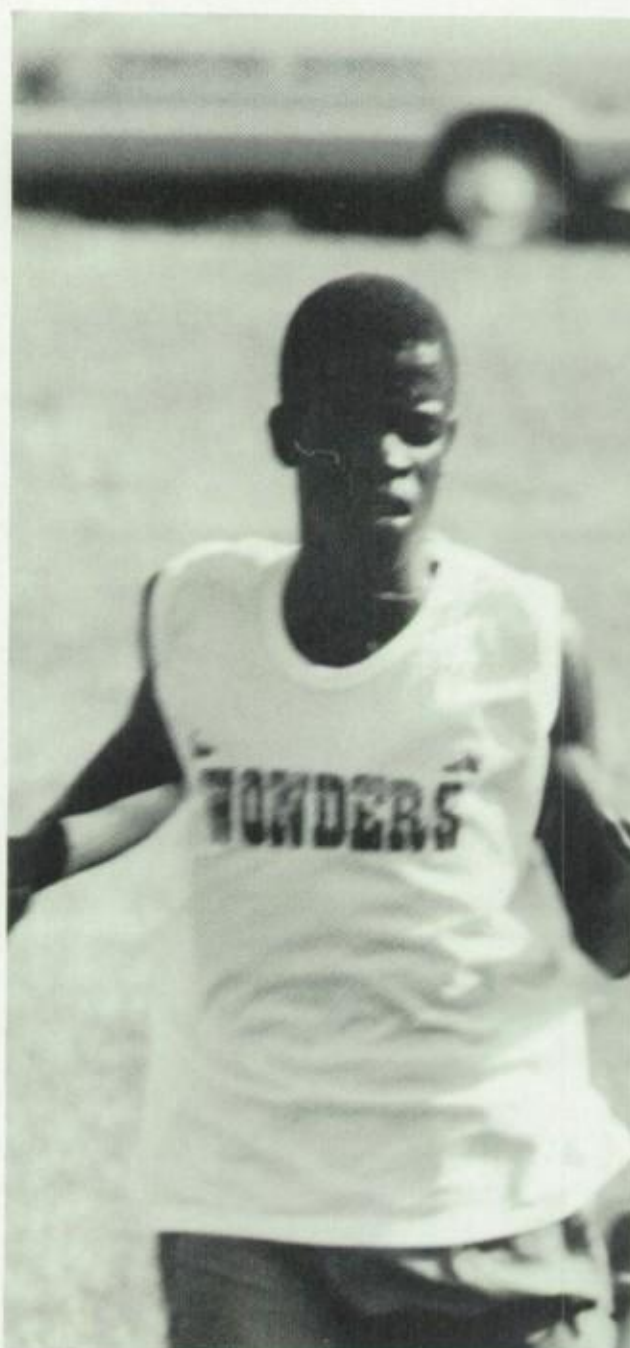

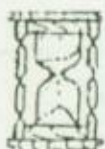

Milton Matheny and Dennis Pope burst ahead at the start.

Wonder Cross Country '83

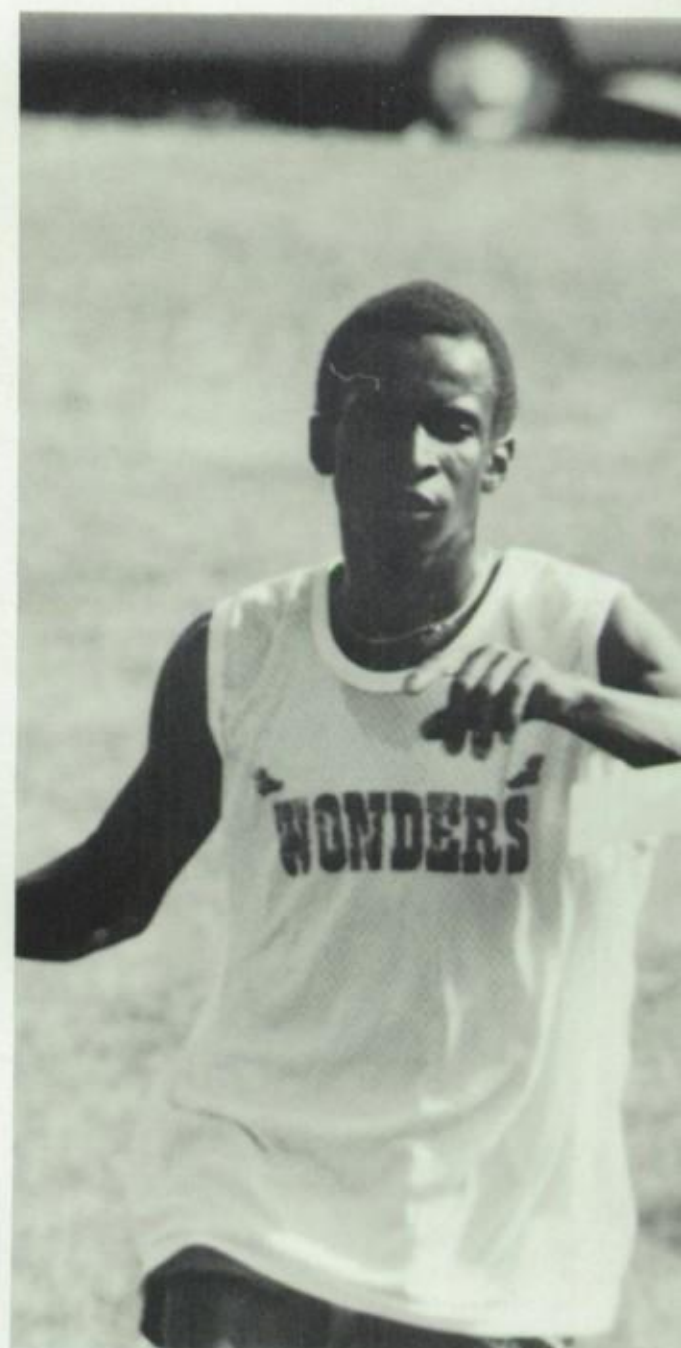

The Cross Country team turned in another successful season this year, going undefeated in the conference and winning the conference championship for the second year in a row.

Behind the running power of Reggie Littlejohn, Willis Allison, and Dennis Pope, the team advanced to the N.C. Sectional Cross Country Meet and took sixth place. Littlejohn also took the individual team honors, finishing second overall in a field of more than two hundred. With this finish Littlejohn advanced to the state meet.

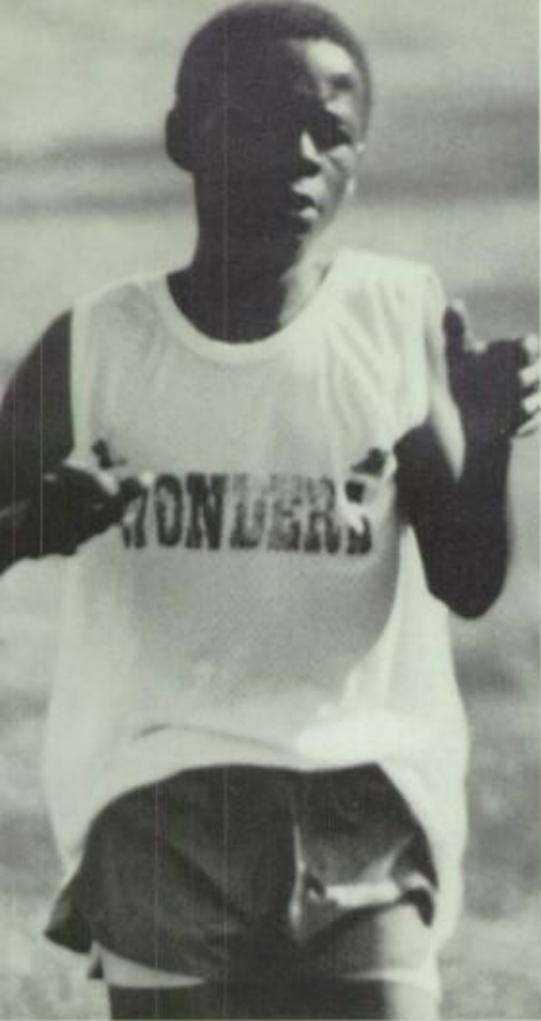

The team is coached by Mr. Richard Prim, who once again praised the team for an excellent season and is looking forward to continued success in years to come.

Wonder Basketball

The 1982-83 edition of Varsity Boy's basketball team was surely one to remember, as they opened up with four very impressive wins before suffering their initial setback of the campaign. Led by Coach Lex Graham and with fine play on the court by James Lipscomb and Mark Smith, the team has received great assistance from the bench by Tim Smith and Lamar Lloyd. As the season continues, the play must become more consistent. The team winning the conference may have as many as three conference losses. Although never ranked, the Wonders finished second in 3-A competition.

Wonder Wrestling

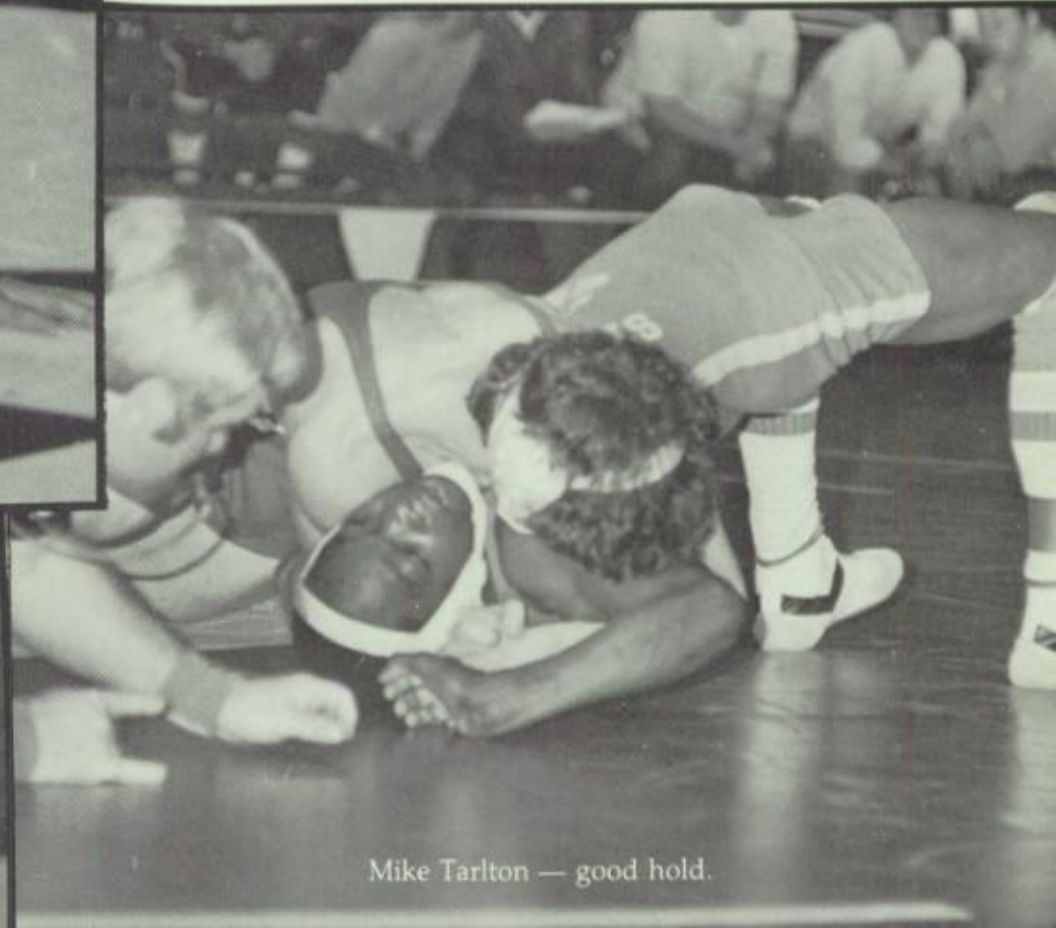

Wrestling is a sport which is very demanding. One must have a lot of self-discipline in order to really stay involved. Many wrestlers have to go through long, strenuous activities in order to keep themselves in a particular weight class.

The Wonders have always had a great wrestling team. This year being led by the "Super Seniors of 83", the Wonders met and conquered all but one of their opponents (South Rowan) to end another successful season.

Coached by Mike Lambeth the golfers will be striving for their best season ever. With returning players such as: Stephen Snipes, Jimmy Willard, Craig Pless, Gary Freeman, Chris Armstrong, Ken Haney, Danny Gray, and a few freshmen coming up to add additional support, this should be a very fine team with the ability to place heavy competition on the Conference.

WHO SAYS PRIDE DOESN'T COUNT?

That's what some critics say about American workers. They have no pride in their work, in their jobs or in the products they are making.

We don't agree. We know it is not true at Cannon.

Productivity, quality and customer service — the basics for manufacturing and selling consumer goods — continue to improve . . . rapidly.

To encourage and recognize individual employees whose work is consistently outstanding, they are now featured each month on the front page of the company newspaper.

How are they presented? As THE PRIDE OF CANNON, of course. Some of the winners are shown above at their jobs.

This is only one of many innovative ideas of David H. Murdock, the dynamic new owner of Cannon Mills Company. He seeks to make Cannon the most modern, productive and cost-effective textile company in the U.S. He, and the people of Cannon, are working hard together to achieve that goal.

And they are doing it — if you will pardon the expression — with great pride!

Color

Diamonds that are absolutely "white" or colorless are very rare and are valued accordingly. A colorless diamond, even if it contains slight imperfections is worth more than a diamond of average color. Every ArtCarved Diamond is guaranteed to meet traditionally high standards for fine color.

What you should know about diamonds:

**C

M

N
S**

Every ArtCarved diamond is precision cut for brilliance whether its shape is round, oval, pear or marquise.

Carat Weight

Diamond size or weight is measured in carats. There are 100 points to a carat.

ArtCarved permanently engraves the exact diamond weight in points on the inside of each ring. It's your assurance that you're getting exactly the diamond weight you're paying for.

ALBROKAN

WE STRUGGLED FOR YEARS ...

Look at those Smiles!!

Kevin Truesdel and Barry Hamby show the casual look.

Terri Diggs dresses New Wave!!

Torrence "Preppy" Hallman and James "G.Q." Phifer.

Shoes make the person!

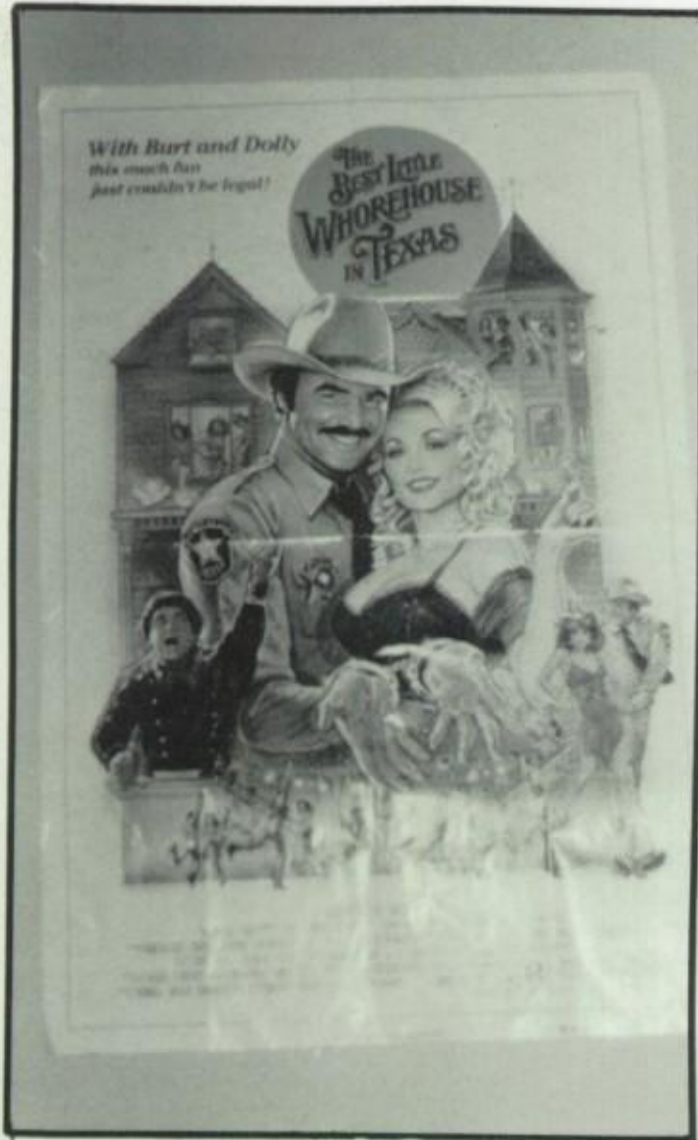

Fred Smith and Audrey Karriker — looking good!

Jeff Brandon, Gary Freeman, and Bobby Key — Just looking.

AND THEN FINALLY ...

Movies were big attractions.

E.T. * Princess Grace dies * Redskins win Superbowl * Donkey Kong * Tylenol murders * "Your Mama" * Garfield * Stray Cats * Reagan ranches * "Winds of War" * Escot * Football Strike * Ozzy Osbourne * Gas tax * "Mickey" * Valley Girls * Truckers' Strike * Henry Fonda dies * Smurfs * "Officer and a Gentleman" * John Cougar * Prince William born * Duran Duran * Atari * "Tootsie" * Bear Bryant dies * Music television * Computers * Night Ranger * "Up Where We Belong" * Golden Earing *

Music is important to all students.

Every locker should have a personal effect.

Class as usual.

Here endeth; here beginneth!

The halls are empty ... until next year.

The lockers survived another year.

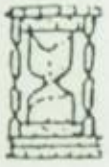

Is class really over???

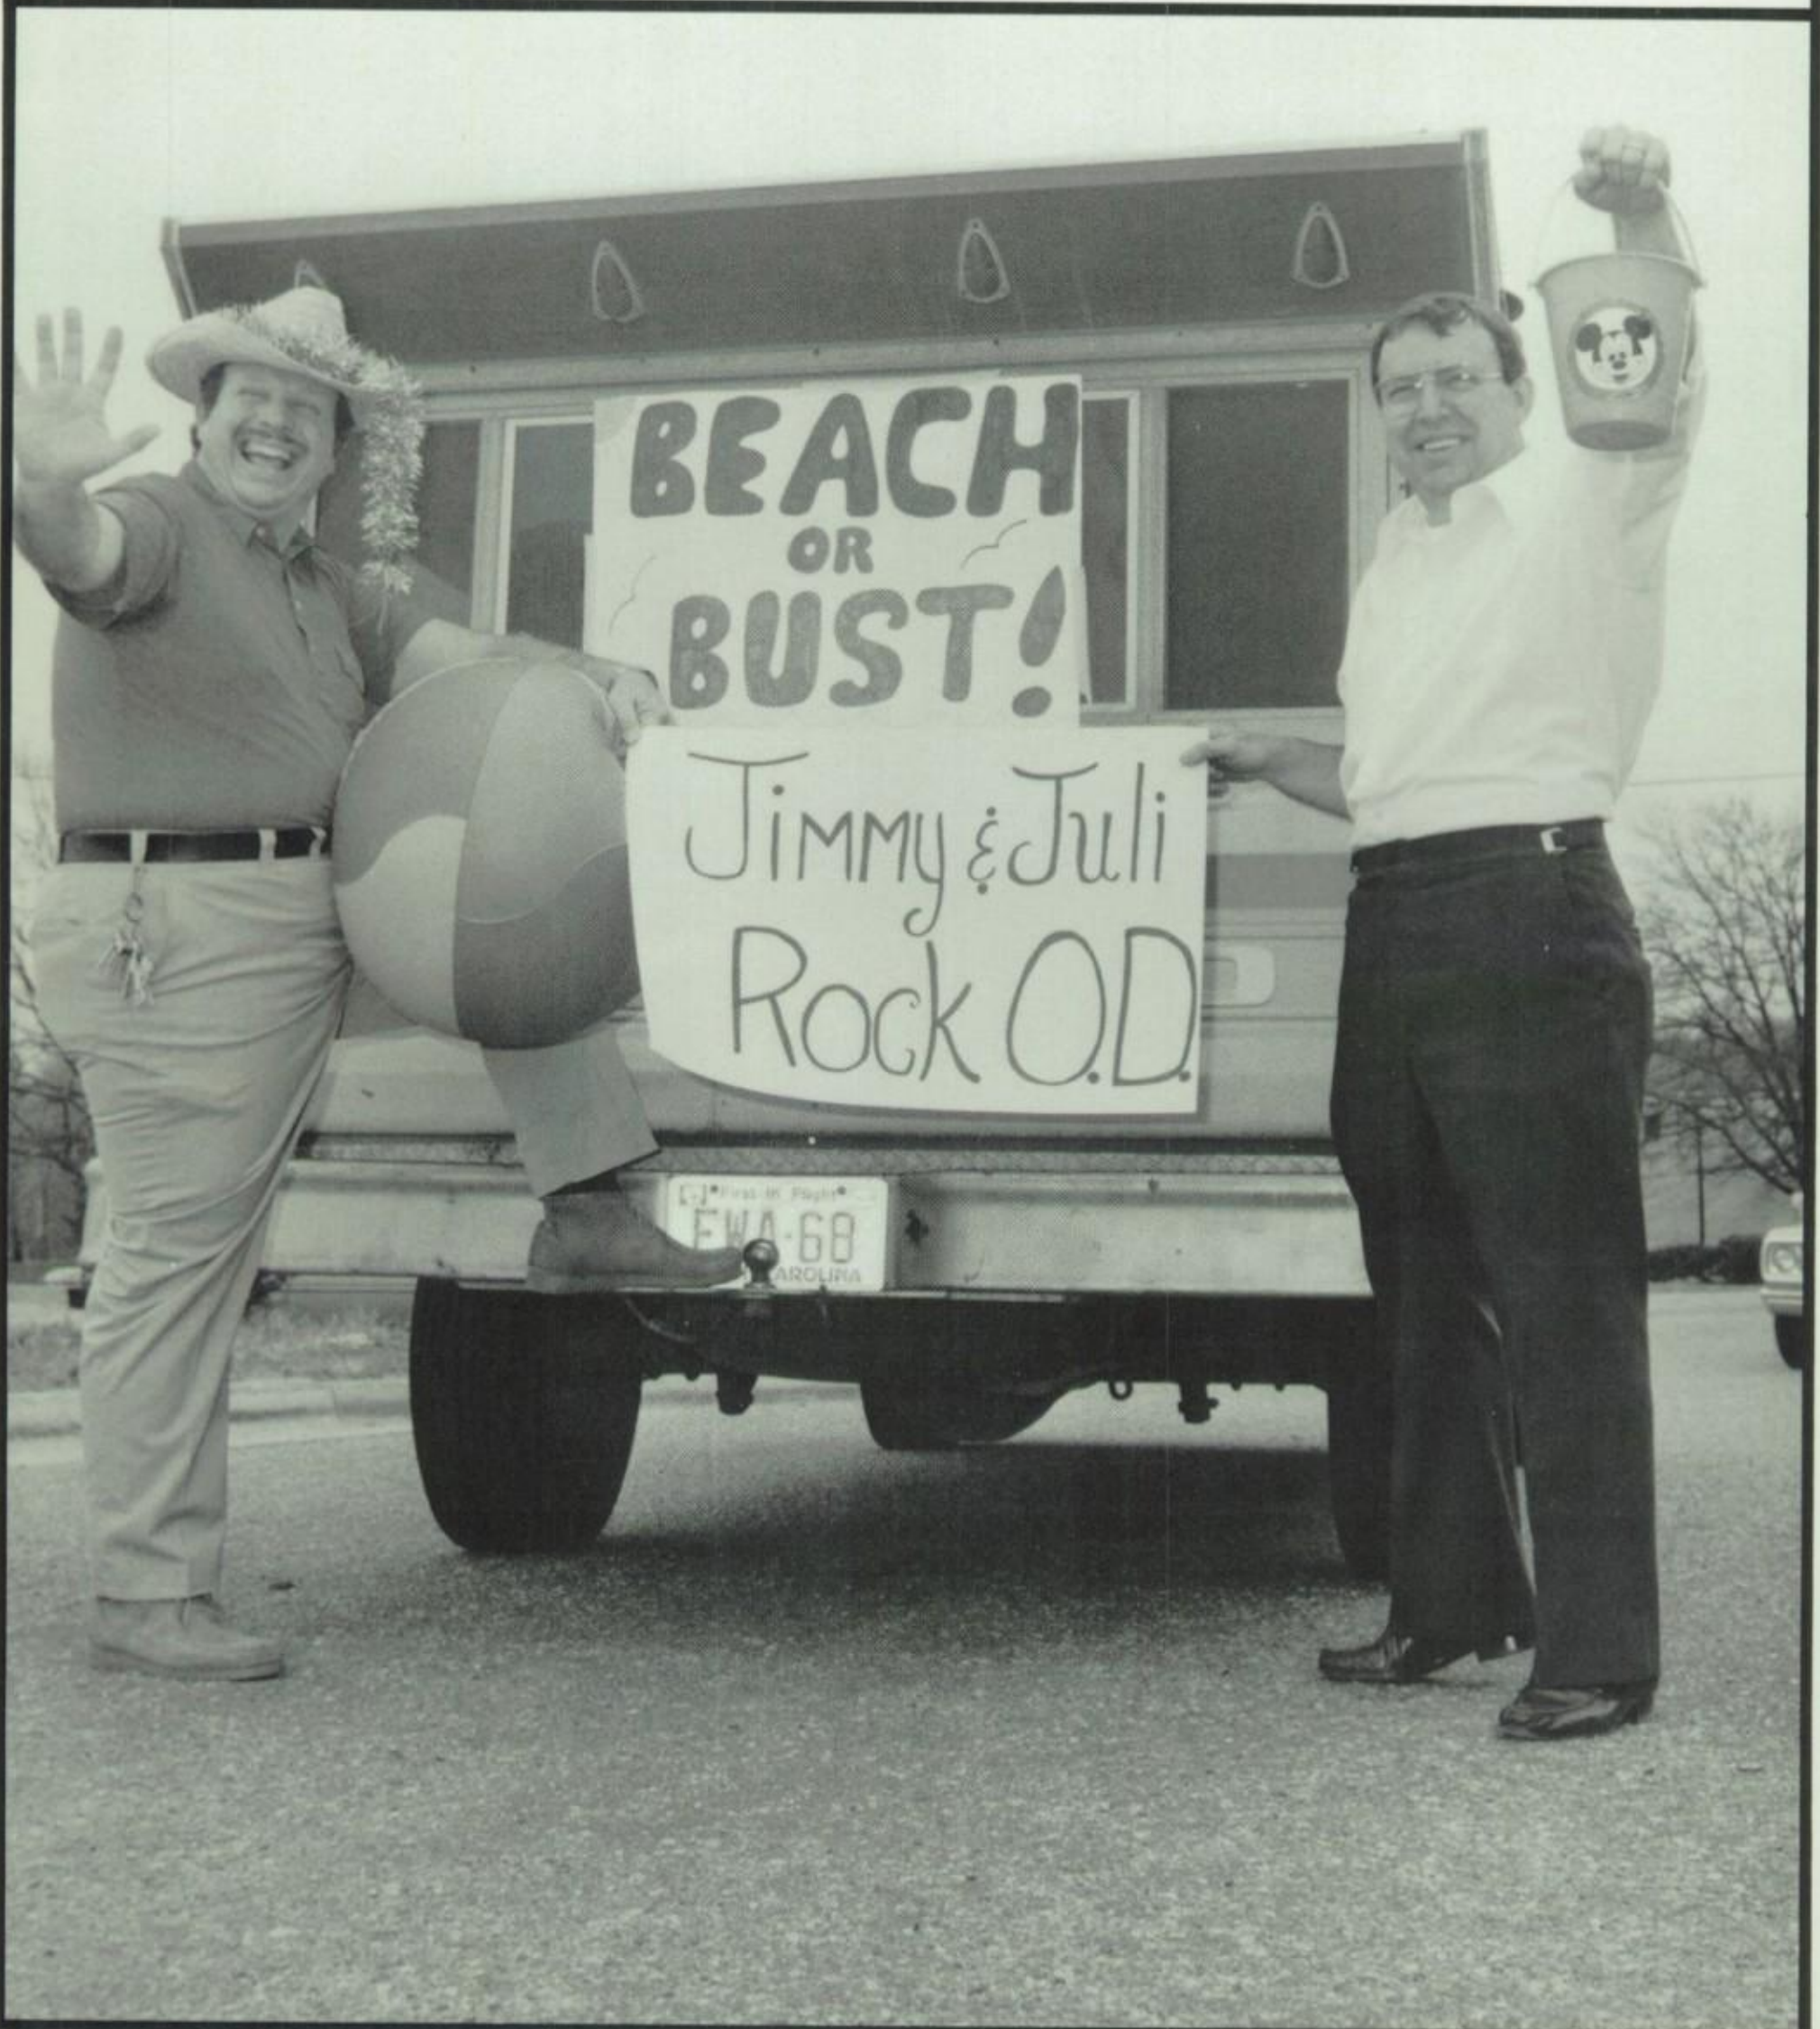

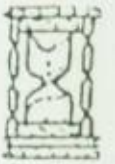

BEACH FEVER — catch it!!!

AND NOW WHAT??? MORE SAND!!!

Halls and grounds that once knew the tread of our feet and the sound of our voices are now in the memories of other days. We are different in ourselves and this world is ours. Our world is different. We must be the link — between those who have passed before us and those who will find their heritage in us. Our world is ever-changing. Our world is today.
